

The Hassle-Free Voting Experience: A Practical Guide.

Every active registered voter will automatically receive a ballot in the mail nearly a month before Election Day. You choose **when**, **where**, and **how** you vote! Elections are no longer a one-day event and there is no need to wait until Election Day to vote. You can vote in the comfort of your home or visit a Vote Center near you. **The choice is yours!**

If you want to participate in an upcoming election, you must be registered to vote. Visit sdvote.com to register to vote and to see if you're eligible to vote in the upcoming election.

Here are a few strategies to help make the voting process a more convenient experience for all:

VERIFY YOUR VOTER REGISTRATION

Have you moved or changed your name? Whether you are new to San Diego County or just moved down the street you need to re-register to vote. You can do this by completing a new voter registration form.

Make sure the Registrar of Voters mails your ballot to the correct address. Verify your residence address and, if different, your mailing address. You can verify your voter information, register or re-register to vote online. [Act now!](#)
