## REMOTE ACCESSIBLE VOTE-BY-MAIL APPLICATION FOR MILITARY AND OVERSEAS VOTERS

Military and Overseas Voters who do not want to receive their ballots by mail may request and receive access to a Remote Accessible Vote-By-Mail System (RAVBM). This system allows voters to download and mark their ballot privately and independently, print their marked ballot, and return it to the Registrar’s office to be counted.

By receiving your ballot by email transmission, you will have more time to vote. Please return your ballot by mail or fax. A voted ballot cannot be returned by email.

### Applicant Statement

I am requesting to receive a ballot via email transmission – RAVBM. I understand that a mail ballot will automatically be sent to me in all future elections, and if I fail to vote by mail in four consecutive statewide general elections, I will need to reapply for permanent mail ballot voter status (California Elections Code sections 3201 and 3206).
