REMOTE ACCESSIBLE VOTE-BY-MAIL APPLICATION (RAVBM)

Our Remote Accessible Vote by Mail System is available to **ALL** voters for the September 14, 2021 California Gubernatorial Recall Election. This system allows voters with a disability to download and mark their ballot privately and independently using their own assistive technology, print their marked ballot, and mail it to the Registrar's office to be counted.

Please note RAVBM is not Internet voting because the hard copy (the print out) of the voter's selections is returned either by mail, at a mail ballot drop box, to a voting location, or at the Registrar's office.

** RAVBM ballots cannot be returned electronically and a printer is required to use this system. **
