The Registrar of Voters is committed to providing voters with disabilities a secure, independent and private voting experience. Every effort has been made to ensure all vote centers meet usable accessibility standards. Vote centers will feature:

- Accessible ballot marking devices
- Curbside voting
- Additional assistance upon request

Voters that are unable to mark a ballot may bring up to two individuals to assist in voting (§ 14282 (b)).

Remote Accessible Vote-By-Mail (RAVBM) System

The RAVBM system allows a voter with a disability to download a ballot on a personal computer and mark it privately and independently using their own assistive technology. After marking the ballot, the voter will print and return their ballot using the printable envelope template included in the RAVBM instructions. Learn More About San Diego County's Voting System

All voter centers will have a full deployment of accessible touchscreen ballot marking devices. These devices can bring up every ballot type in one of five languages and produce a readable paper ballot. Because of this device, voters can vote in person at any vote center in the county.

This device does not store, tabulate, or count any votes, and does not store voter information.

After the voter confirms their selections on the device, the voter will print their ballot in the voting booth with the attached printer. The system prints a readable paper ballot showing the voter's selections along with a secure barcode. The barcode does not store voter information, it is used to tabulate results at the Registrar of Voter's office.

Voters can review their ballot, place it in a secrecy sleeve, and give it to the poll worker to place it in the ballot box to be counted at the Registrar's office. Once placed inside the ballot box, your ballot is officially cast!

UNITED STATES REPRESENTATIVE
52nd District

JUAN VARGAS
United States Congressman

In Congress, Juan Vargas has earned a reputation as one of the hardest-working members — a leader who fights tenaciously for the people of San Diego County.

Juan is focused on lowering costs and strengthening middle-class families. During the pandemic, he helped pass the American Rescue Plan, delivering direct relief to working families and expanding the Child Tax Credit. He helped pass the bipartisan Infrastructure Investment and Jobs Act and has brought home over $1 billion in federal funding to improve ports of entry, roads, water systems, and create good-paying local jobs.

Juan is fighting to make housing more affordable, lower prescription drug costs, protect Social Security and Medicare, and increase the supply of affordable homes. He voted to extend enhanced Affordable Care Act subsidies to prevent premium increases and make health coverage more affordable. He strongly supports workers' rights and union jobs and has backed legislation like the PRO Act to protect the right to organize.

Juan secured over $650 million in federal funding to address cross-border pollution in the Tijuana River Valley and has worked to protect our beaches and border communities. He honored our veterans by helping pass the PACT Act, expanding VA benefits and services.

Juan grew up on a chicken farm, one of 10 children. He earned a scholarship to college, studied to be a priest, and graduated from Harvard Law School. Juan and his wife, Adrienne, have two daughters, Rosa and Helena.

Juan Vargas fights for us — and delivers results.

STATE SENATOR
18th District

ART HODGES
CEO/Educator/Pastor

Bishop Art Hodges is a longtime South Bay resident and community leader with more than four decades of executive leadership experience. He and his wife, Rosa, a fourth-generation Mexican American, were high school sweethearts. They have three married children and six grandchildren, all living in Chula Vista.

His background includes serving as a nonprofit CEO, school principal, adjunct professor, college chancellor, and board member of both a university and an orphanage. He founded WOW Houses for the Homeless and, during COVID, led one of the South Bay's largest food distribution efforts in partnership with public health and law enforcement.

In 2024, the California State Senate in a Resolution, and the Mayor of Chula Vista in a Proclamation, recognized his leadership and community service. In 2026, he received the San Diego County Abraham Lincoln Exceptional Leadership Award. He also successfully defended constitutional freedoms in landmark cases before the United States Supreme Court.

After retiring from 40 years as a pastor, Bishop Hodges continues serving as bishop to more than 120 churches and 250 pastors across Southern California. Having served Democrats, Republicans, and Independents throughout his ministry—and having been a longtime Independent himself—he believes leadership should put people before politics and service above party, focusing on affordability for working families, practical border solutions, safer neighborhoods, accountable government, and common-sense leadership that listens to local communities.

It's time for new leadership and a fresh direction.

Bishop Art Hodges respectfully asks for your vote.

STEVE PADILLA — AGE: 59
California State Senator

Steve Padilla fights for working families, stands up for South County and protects California from the chaos and corruption in Washington. Steve Padilla is a former police detective, Chula Vista Mayor and single dad who knows working families need a more affordable California – and he's fighting to lower costs and raise incomes.

Steve Padilla authored the law to protect ratepayers from skyrocketing electricity costs caused by massive Big Tech data centers. Corporations shouldn't be allowed to unfairly shift costs onto struggling families.

Steve Padilla passed the 'Middle Class Pipeline Project' into law to expand blue-collar apprenticeships and vocational education. For good paying jobs for everyone, not just those with college degrees.

Steve Padilla is leading the charge to clean up the Tijuana River sewage crisis, pushing for federal and state action to fix this disaster. South County deserves the same clean water and safe beaches as the rest of California.

Steve Padilla is standing against the corruption by Trump raising prices, slashing healthcare and targeting hard-working immigrants. He co-authored bills to reduce insurance premium hikes and bar warrantless ICE raids at schools and hospitals.

Steve Padilla is serious about public safety. A former Police Detective, Steve fully funded police in every state budget, led efforts to invest $10 billion in wildfire prevention and cracked down on untraceable ghost guns. Without safety, nothing thrives.

With 21 bills signed into law by the Governor, Steve Padilla is the effective fighter South County families count on.

DAVID A. ALVAREZ
Assemblymember

I'm David Alvarez, and I'm running for re-election to continue delivering for South San Diego County.

As your Assemblymember, my public service has focused on expanding opportunity, strengthening public education, and fighting for long-overdue investments in our community. I've led efforts to expand access to higher education, bringing bachelor's degree programs to South County and the future Chula Vista University campus, starting this fall.

I've secured millions in state funding to address the Tijuana River sewage crisis. I also secured funding for Memorial Park in Logan Heights and Grove Park in Otay Mesa-Nestor.

As Chair of the Assembly Budget Subcommittee on Education Finance, I've worked to ensure taxpayer dollars are spent responsibly and tied to measurable student results. I've spearheaded new laws requiring responsible use of technology in schools, including limits on cell phones, and prohibiting social media use among kids and teens to address rising attention deficit, anxiety, and bullying.

I continue to host town halls and community coffees to ensure you, the voter, can meet with me directly. My office has assisted nearly 1,500 residents access their earned benefits, navigate state bureaucracy, and connect with resources.

My priorities moving forward: increase affordable housing and homeownership opportunities, invest in schools from preschool through college, expand green space, support small businesses, and ensure our region receives its fair share of state resources.

Public service is about accountability and results. I will continue working hard to deliver practical solutions that improve daily life for our families and create real opportunity for our neighborhoods.

I respectfully ask for your vote so we can keep delivering results for South County.

SOUTHWESTERN COMMUNITY COLLEGE DISTRICT
Governing Board Member Trustee Area No. 1

ROBERT MORENO
Southwestern College Governing Board Member

Serving you on the Southwestern College Governing Board has been the honor of my life.

Four years ago, I promised to put students first, and I kept that promise.

I voted for four consecutive balanced budgets while expanding educational opportunities for South County students. I helped bring bachelor's degree programs closer to home, including a new degree in transborder environmental design and a public health partnership with UC San Diego.

Nearly 600,000 South County residents live without access to a public university. Our students should not have to leave their families, jobs and communities to complete their education.

I also supported expanding dual enrollment, allowing Sweetwater Union High School District students to earn college credit before graduation. As a proud graduate of Sweetwater High School, I understand how life-changing that opportunity can be.

I am honored to be endorsed by the Southwestern College Education Association (faculty) and California School Employees Association Chapter 524 (classified professionals).

If reelected, I will continue fighting for affordable student housing, competitive pay that retains outstanding employees, and career education that leads directly to good-paying jobs.

We have made real progress, but our work is not finished. I respectfully ask for your vote.

Robert Moreno

Southwestern College Governing Board

MARY SALAS
Retired Mayor Chula Vista

I know firsthand that a community college education can change the course of a life—because it changed mine.

When I enrolled at Southwestern Community College, I was a 37-year-old divorced single mother with only a high school diploma, limited job skills, and two daughters depending on me. Stepping onto campus was intimidating, but the faculty, staff, and counselors believed in me before I fully believed in myself.

Southwestern was affordable, close to home, and flexible enough to fit around my work schedule, allowing me to earn my associate degree, transfer to San Diego State University, and complete my bachelor's degree.

That education changed the trajectory of my family's future. It gave me the opportunity to build a meaningful career, provide greater stability for my daughters, and eventually serve our region as Mayor of Chula Vista and later on the California Community Colleges Board of Governors, where I worked to expand educational opportunities for students across our state.

Today as technology rapidly transforms the workforce and employers demand new skills, Southwestern must continue investing in affordable, high-quality education that prepares students for in-demand careers while preserving strong transfer pathways to four-year universities.

I respectfully ask for your vote.

SWEETWATER UNION HIGH SCHOOL DISTRICT
Governing Board Member Seat No. 1

MARIA BETANCOURT-CASTAÑEDA
Governing Board Member, National School District

As a lifelong National City resident, I attended Olivewood Elementary, National City Junior High School, and Sweetwater High School, and raised my children in our community.

My dedication to education began as a PTA President advocating for parent empowerment. For 12 years as a National School District Trustee, CSBA Delegate, and advocate in Sacramento and Washington, D.C., I have turned that advocacy into results.

As a trusted steward of public resources, I championed the passage of Measure N and Measure HH. Through these bonds, we transformed our campuses with a focus on safety, modernization, and inclusivity; including redesigning all district playgrounds with state-of-the-art fields and full accessibility for students with disabilities so every child is included.

Under my leadership, the district achieved national and state recognition: Environmental Leadership: Earned 2026 California Green Ribbon Schools Green Achiever status; one of only two districts statewide. Academic Excellence: Continuous year-over-year growth. Health & Wellness: Named the nation's first elementary-only Heart Safe School district, with 100% of schools achieving Platinum and Gold PBIS honors and 90% named America's Healthiest Schools.

I am ready to bring this proven record of dedicated, student-centered leadership to the Sweetwater Union High School District to ensure high academic standards, modern facilities, safe environments, and empowered families.

I respectfully ask for your vote

FERMIN EUSEBIO JIMENEZ AGE: 38
Substitute Teacher/Paralegal/Veteran

Raising our children in strong, supportive schools strengthens our community and prepares students for success in college, careers, and life. My name is Fermin Eusebio Jimenez, and I am running for the Sweetwater Union High School District Board of Trustees, Area 1, because every student deserves the opportunity to succeed.

As a teacher, United States Navy veteran, and former Hospital Corpsman, I have dedicated my life to serving others. After my military service, I continued serving our nation as a civilian employee and now serve our community as an educator committed to improving public education.

Our district has made meaningful progress, including earning an improved S&P Global credit rating through stronger fiscal management. While that is encouraging, there is still important work ahead. I will focus on improving academic achievement, maintaining fiscal responsibility, and ensuring students and teachers have the resources they need to succeed. Every taxpayer dollar should be invested wisely, transparently, and with students as the top priority.

I hold a bachelor's degree in Political Science from San Diego State University, an associate degree in Paralegal Studies, and proudly serve as Vice Chair of the National School District Bond Oversight Committee. I respectfully ask for your vote so we can build an even brighter future for every student.

SHIRLEY NAKAWATASE
Certified Public Accountant

As a lifelong San Diegan with decades of experience in tax, finance, and money management, I have guided thousands through complex tax systems, showed them how to make more money, pay less taxes and helped make their dreams come true. As the Treasurer of the San Diego County Capital Asset Leasing Corporation, I was responsible for the management of millions of dollars while protecting strong financial credit ratings. CITY OF NATIONAL CITY
Mayor

RUBLE MITCHEL BEAUCHAMP
Biological Consultant

Election of the Mayor comes at a time of serious economic challenges.

My service as a City Councilmember was in a different technological era, but still, government must live within its means. During my service as City Treasurer, my responsibility was only to serve as the taxpayers' watchdog, allowing me to see, but not control, the consequences of financial decisions.

Except for service as a Naval officer, and postgraduate studies with a Master's Degree in Biology, I have spent my life in our wonderful city. I operated a regional consulting business that employed approximately 50 people. These taught me the importance of sound financial management, responsible leadership, and creating opportunities for others.

It is troubling to see how special interests have weakened the stability and effectiveness of our city government. National City's future should be guided by the interests of its residents, not outside influences.

By electing me Mayor, you can restore National City's financial stability, strengthen accountable government, and return the focus to serving our residents.

The choice now belongs to you. We see today, nationally, the consequences of poor leadership.

Your vote can restore responsible government, fiscal discipline, and a brighter future for National City.

MARCUS BUSH AGE: 38
Councilmember

National City raised me. I attended Lincoln Acres, Granger and Sweetwater High School. Today I'm raising my own family in the community I've always called home.

My education in City Planning, Real Estate Development prepared me to understand how cities grow and how decisions impact working families. Before joining the City Council, I served on our Planning Commission and with local business organizations.

Since being elected to City Council in 2020 and re-elected in 2024, I've worked collaboratively to strengthen public safety funding, invest in Las Palmas Pool, support our first homeless shelter, promote local hiring, advocate for greater Port investment in City of National City, and recruit new City leadership.

My years on the Council have also taught men an important lesson: leadership means listening, learning and representing the entire community – not one group, interest or outside influence. There are decisions I might approach differently today, but experience has strengthened my understanding of public service.

As Mayor Ron Morrison concludes decades of service, I'm honored to have his endorsement and confidence to lead City of National City forward.

Leadership means working together, putting City of National City National City first, and delivering results.

I'm running for Mayor to serve the community I love.

JACOBB CASTREJON AGE: 25
Stem-Enrichment Instructor

I am a second generation Mexican-American who comes from a family that has set their roots here in National City for over 30 years. I have spent my entire adulthood living in this wonderful city and have attained my education from Southwestern College and UCSD. While living here I have come to the unfortunate realization that not enough is being done to uplift National City in the way that it should be. The ongoing affordability crisis and federal overreach has already harmed many within our community. Seeing what has transpired here I could no longer, in good conscience, sit on the sidelines and trust others to do the work that needs to be done in our city. That is why I am running to be Mayor of National City to help inject new life and ideas into our local government. My main priorities focus on improving our road infrastructure, cleaning up our streets, protecting our community from the affordability crisis, and adding more green and community spaces. It would be an honor and a privilege to be your Mayor and champion the plight of working families across National City.

JOSE RODRIGUEZ
National City Councilmember / Father

It's time for a Mayor on the side of working people – not the powerful or well-connected. It's time for new leadership that gets results.

Jose will fight for the City of National City we deserve: more affordable homes, less pollution, higher wages, rent control, cleaner streets, and safe neighborhoods for all.

Jose is a father of four and former union organizer who knows how hard people work to afford groceries and pay rent. That's why Jose fought to freeze rents, raise the minimum wage and added 240 affordable homes across National City.

Jose is our Councilmember delivering neighborhoods' basic needs: 4-person firefighting teams, combatting gangs, $23 million to renovate city parks and rec centers. Jose supports law enforcement, not lawlessness, and strongly opposes Trump's ICE.

As Mayor, Jose will build affordable homeownership, control rents, fund street cleaning, add firefighters, and hold Port polluters accountable for clean air. Jose will fight for a City that's safe, clean and affordable for everyone - no matter where you live or what you earn. Enough career politicians serving themselves. Enough ignoring working families. It's time for a Mayor on our side. It's time for Jose Rodriguez.

Jose is endorsed by City of National City Firefighters, American Federation of Teachers, San Diego Labor Council.

COUNTY COUNSEL IMPARTIAL ANALYSIS

BALLOT MEASURE TO AMEND COUNTY OF SAN DIEGO CHARTER

The Board of Supervisors ("Board") for the County of San Diego ("County") placed this measure on the ballot. If approved by a majority of the votes cast, this measure will amend the County Charter ("Charter") as specified in full text of the ballot measure.

The Charter provides for the structure of the County's government, including the powers and duties of its officers. The Charter can only be amended with voter approval.

The following summarizes the amendments to the Charter proposed by this measure:

- Increase County Supervisors' term limits from two terms to three terms. This amendment would allow a person to serve in the role of County Supervisor for a maximum of twelve years, as opposed to the current maximum of eight years. Any current or former Supervisor's prior time in office would count towards this three-term limit.
- Require the Board to establish a procedure to review and confirm Chief Administrative Officer appointment of the Assistant Chief Administrative Officer, Deputy Chief Administrative Officers, Director of the Office of Emergency Services, Public Health Officer, and Public Defender. The Board shall have the power to remove such officers, with or without cause, by 4/5ths vote.
- The Board may appoint an Independent Budget Analyst and Independent Program Auditor. These new positions would perform specified audit and budget services as directed by the Board or, for the Independent Budget Analyst a County Supervisor. The Board may appoint one person to serve in both positions.
- The Board may change Public Defender to a Board appointment rather than Chief Administrative Officer appointment and may appoint additional officers that do not duplicate the Chief Administrative Officer's functions.
- Provides examples of permissible practices that County Supervisors may engage in without violating the non-interference clause.
- Update Charter to state that no County Officer may influence the Director of Purchasing and Contracting for illegal personal gain or as prohibited by Charter's non-interference clause. Currently, the Charter provides that no County Officer may influence Purchasing Agent in performance of duty and that Board may only conduct official business with Purchasing Agent at a regular Board meeting.
- Change Citizen Advisory Board to Community Advisory Board and update appointment criteria.
- Direct Board to establish an Ethics Commission of seven commissioners to be confirmed by the Board; one appointed by each County Supervisor and two by County Counsel. Commissioners are subject to removal, term limits, and certain qualifications as specified in the full measure text and may be granted subpoena power.
- Require the Auditor and Controller to post all County spending data to the County's website and order an annual independent financial and performance audit of County expenditures, made available to the public.
- Clarify that regulation of political activities does not prohibit activities allowed by law.
- Update prohibition against nepotism by specifying degree of relation.
- Updates Charter structure and terminology.

A "yes" vote is a vote in favor of the proposed Charter amendments.

A "no" vote is a vote against amending the Charter.

ARGUMENTS IN SUPPORT OF OR IN OPPOSITION TO THE PROPOSED LAWS ARE THE OPINIONS OF THE AUTHORS

ARGUMENT IN FAVOR OF MEASURE A

Independent Ethics Reform.
To fight corruption and fraud, MEASURE A establishes an Independent Ethics Commission to investigate misconduct, hold public officials accountable, strictly regulate lobbyists to reduce their influence and strengthen enforcement of campaign contribution limits. Unlike other large California counties, San Diego lacks an Ethics Commission to investigate allegations of misconduct.

Full Transparency.
MEASURE A requires full and complete public disclosure of all county spending,

Independent Oversight. Accountability.
MEASURE A establishes an Independent Budget Analyst and Independent Program Auditor to track billions of taxpayer dollars, increase oversight and accountability and eliminate waste, fraud and abuse.

Holding bureaucrats accountable.
Unelected bureaucrats have too much control over the County's $8.5 billion budget with little public oversight. Under current county law, elected officials and the public cannot hold these bureaucrats accountable. MEASURE A implements accountability and transparency by requiring a public confirmation and removal process for executive-level county officials including public hearings, testimony and full public input..

Absolutely NO COST to TAXPAYERS.
MEASURE A is NOT a tax increase. MEASURE A requires implementation of all reforms using existing funds with NO NEW TAXES or additional costs to taxpayers.

Term Limits.
MEASURE A imposes strict 12-year term limits (the same as the legislature) on the Board of Supervisors.

Overdue Reforms.
Our county charter is outdated. San Diego County has a population of 3.2 million. The charter was initially adopted in 1933 when the county's population was less than 300,000. It has not been substantially updated in decades. MEASURE A makes county government more accountable and responsive to voters with stricter ethics laws to prevent corruption and fraud.

A broad, non-partisan coalition of civic, business, and labor leaders are uniting in support of MEASURE A to fight corruption, make county government more accountable, create independent budget and audit watchdogs and to better serve all of San Diego County.

Vote YES on MEASURE A.
Fight Fraud and Corruption. Increase Accountability. Require Full Transparency.

REBUTTAL TO THE ARGUMENT IN FAVOR OF MEASURE A

Don't fall for deceptive window dressing on Measure A. Here is what Measure A really does: It overturns TERM LIMITS!

Bottomline: Measure A gives sitting San Diego County Supervisors a third term. Twelve years in one seat instead of eight.

MEASURE A GIVES POLITICIANS MORE TIME IN OFFICE
Sixty-eight percent of San Diego County voters set a two-term limit in 2010, by citizen initiative, with more than 70,000 neighbors signing petitions by hand. Measure A does not create a limit. It weakens the one you wrote.

MEASURE A IS PACKAGED WITH DECEPTION
In order to trick voters into throwing out current term limits, politicians confuse voters by tossing in good stuff like an ethics commission, independent auditors, and fiscal transparency. We support all three of these ideas - and the board can and should adopt these ideas on its own.

The only reason why Measure A is on the ballot is because they need to fool voters with attractive packaging into voting to throwing out the current term limits!

If the good-government reforms are genuine, they will stand on their own. Underneath the promises, this is nothing more than politicians changing the rules to give themselves more time in power.

Join us in protecting the EXISTING TERM LIMITS that voters imposed years ago.

No Kings. No Queens. No on Measure A.

ARGUMENTS IN SUPPORT OF OR IN OPPOSITION TO THE PROPOSED LAWS ARE THE OPINIONS OF THE AUTHORS

ARGUMENT AGAINST MEASURE A

MEASURE A - REPEALS TERM LIMITS

In 2010, sixty-eight percent of San Diego County voters spoke loud and clear. You told the politicians to take less power, not more. You set a two-term limit for County Supervisors, and you did it the hard way, a citizen initiative where more than 70,000 neighbors signed petitions by hand. You set that rule. Not the Board.

Measure A asks you to undo it.

MEASURE A - EXTENDS TERMS OF CURRENT POLITICIANS

Three sitting Supervisors voted to place this on your ballot. It gives Supervisors a third term. Twelve years in the same seat instead of eight. The people who wrote it are the same people who get the extra time. That is not reform. That is politicians serving themselves.

MEASURE A - DISHONEST WINDOW DRESSING

They know a straight term extension would not pass on its own, so they buried it. They wrapped it in nice-sounding promises. An ethics commission. Independent auditors. Fiscal transparency. I support every one of those, and the County can do them without a charter change or extending anyone's term.

Read the ballot question closely. The extra term is not at the top. You have to look for it. That is by design. Notice the wording too. It asks whether to "set" term limits, as if none exist today. One already does, and you are the one who set it.

Every Supervisor ran for office knowing the limit was two terms. That was the deal we made with you. You should not win an election under one set of rules, then change those rules for yourself.

Strip away the packaging and this is simple. It is a power grab. Do not let them.

Vote No on Measure A - Keep Term Limits on County Politicians

The undersigned proponent(s)* or author(s)* of the Primary Argument against ballot measure A at the Midterm General election for the San Diego County to be held on November 3, 2026 hereby state that such argument is true and correct to the best of their knowledge and belief.

REBUTTAL TO THE ARGUMENT AGAINST MEASURE A

Don't be fooled!
MEASURE A's opponents are wealthy Special Interests, Lobbyists, and Insiders.

Lobbyists and Special Interests want to prevent establishment of an Ethics Commission that would fight fraud and corruption, and investigate/regulate insider special interests.

Measure A is the measure Lobbyists, Insiders, and Special Interests fear most!

Don't be fooled!
MEASURE A is the most far-reaching Ethics Reform of county government in a generation. Read MEASURE A for yourself.

MEASURE A establishes an Independent Ethics Commission to fight fraud, misconduct and corruption. San Diego is the only large California County without an Ethics Commission.

MEASURE A requires full and complete public disclosure of all county spending.

MEASURE A creates an Independent Budget Analyst and an Independent Auditor to serve as "Public Watchdogs" of the County's $8.5 billion budget, increasing transparency and accountability, and exposing waste and mismanagement.

MEASURE A holds unelected bureaucrats accountable by allowing open public hearings to confirm and remove high level county officials.

MEASURE A does NOT repeal term limits. MEASURE A lets voters impose a 3-term limit (the same as the Legislature) for Supervisors. No Supervisor is being "given" an extra term. Every 4 years, Supervisors face the voters who decide if they've earned a new term or not.

Don't be fooled!
MEASURE A is opposed by Lobbyists, Insiders and wealthy Special Interests.

MEASURE A is supported by a non-partisan coalition of civic, business, and labor leaders who created MEASURE A to increase oversight, impose accountability, and fight fraud and corruption.

Vote YES on Measure A.

ARTICLE IV
BOARD OF SUPERVISORS

Section 400: Number and Apportionment of Districts. For the purpose of electing Supervisors, the County is divided into five legally apportioned districts.

Section 400.1: Redistricting Commission. After each federal decennial census, the supervisorial districts of the County shall be reapportioned in the manner specified by ~~general law~~General Law by a redistricting commission established pursuant to the California Elections code. The supervisorial district boundaries shall be drawn in such a way that the area of at least three districts shall include unincorporated territory with two of the districts having geographic area that is predominantly outside of the incorporated cities as population will permit.

Section 400.5: Reserved. ~~For purposes of this Article, "elective office" means any of the following offices:~~
~~(1) County supervisor;~~
~~(2) District Attorney;~~
~~(3) Sheriff;~~
~~(4) Assessor, recorder, and county clerk;~~
~~(5) Treasurer and tax collector;~~
~~(6) Member of the County Board of Education.~~

Section 401: Election and Appointment of Supervisors. The voters in each of the County's five districts nominate and elect one Supervisor from their district to serve on the Board for a four-year term, beginning at noon on the first Monday after January first following election, and to hold office until the qualification of a successor.

Section 401.1: Elections of Supervisors occur every two years: Supervisors for the first, second, and third districts are elected at one general election; Supervisors for the fourth and fifth districts are elected at the alternate general election.

Section 401.2: A candidate for election or appointment as Supervisor shall fulfill residency and elector requirements established by ~~general law~~General Law.

Section 401.3: When there are more than two candidates that qualify to participate in the primary election for one ~~elective office~~Elective Office, including write-in candidates, the two candidates who receive the highest number of votes in the primary are the candidates in the general election, and the one who receives the higher number of votes in the general election is elected. In the event there are two or fewer candidates who qualify to participate in the primary election for one ~~elective office~~Elective Office, including write-in candidates, the office shall be voted upon at the general election and not the primary election. Write-in candidates are permitted to participate in the primary election. However, no write-in candidates are permitted to participate in the general election except in circumstances where there are two or fewer total candidates who qualify to participate in the primary election and one or both qualified candidates is a write-in candidate. When one or two write-in candidates qualify to participate in a primary election with two or fewer total candidates, the names of the write-in candidates who qualified to participate in the primary election shall be printed on the general election ballot in the same manner as non-write-in candidates who qualify for the general election. The County shall establish rules governing qualification and filing dates for write-in candidates including, but not limited to, ensuring the deadline to qualify as a write-in candidate precedes the printing of ballots and does not otherwise interfere with the ~~county's~~County's administration of the election.

Section 401.4: In the event a vacancy occurs in the office of supervisor, the remaining members of the Board shall within thirty (30) days of the vacancy fill the vacancy either by appointment for the unexpired term, by appointment until the qualification of a successor elected at a special election or by calling a special election. If the remaining members of the Board fail to fill the vacancy within such thirty (30) day period, the remaining members of the Board shall immediately cause a special election to be held to fill such vacancy. A special election to fill a vacancy in the office of Supervisor shall consist of a special primary election and if necessary, a special general election. A special primary election shall be held in the Supervisorial district in which the vacancy occurred on a Tuesday, at least 76 days, but not more than 90 days, following the adoption of the resolution calling the special election, except that any such special primary election may be conducted within 180 days following the adoption of such resolution in order that the special primary election or special general election may be consolidated with the next regularly scheduled Statewide election.

Candidates at the special primary election shall be nominated in the manner set forth in the Elections Code for the nomination of candidates for a nonpartisan office for a direct primary election, except that nomination papers shall not be circulated prior to the adoption of the resolution calling the special election and shall be filed with the Registrar of Voters for examination no later than 14 days after the adoption of the resolution calling the special primary election.

If only one candidate qualifies for the special primary election, that candidate shall be appointed to the vacancy by the remaining members of the Board for the unexpired term, shall serve exactly as if elected to such vacancy, and no special primary election or special general election to fill the vacancy shall be held. A candidate who receives a majority of all votes in the special primary election is elected to fill the vacancy for the unexpired term, and no special general election shall be held. In the event there are no more than two candidates for a vacancy, the office shall be voted upon at the special primary election, and no special general election shall be held.

When no candidate receives a majority of all votes in the special primary election, a special general election shall be held on the twelfth Tuesday

after the date of the special primary election. The two candidates who received the highest number of votes in the special primary election shall be the candidates in the special general election, and the one who receives the higher number of votes in the special general election is elected to fill the vacancy for the unexpired term. Write-in candidates are permitted to participate in the special primary election in accordance with the rules established by the ~~county~~County. However, no write-in candidates are permitted to participate in the special general election except as provided in Section 401.3.

In a special election to fill a vacancy in the office of supervisor, the Board may authorize either the special primary election or the special general election, or both, to be conducted wholly by mail, provided that the special primary election or the special general election to be conducted by mail does not occur on the same date as the ~~statewide~~Statewide election with which it has been consolidated. In no event may a special primary election or a special general election be conducted on the day after a ~~state~~State holiday.

Section 401.5: Term Limits.

(a) No person may serve for more than ~~two~~three terms as Supervisor, regardless of district represented~~, after the effective date of this section~~.

(b) Any person who is elected or appointed to an unexpired term as a Supervisor ~~after the effective date of this section~~ and who serves more than one-half of a full term of office shall be deemed, for the purposes of this section, to have served a full term.

Section 501.2: The Board shall adopt an ordinance to establish the compensation of all ~~officers~~Officers and ~~employees~~Employees, which shall implement and conform to any applicable provisions contained in

memorandums of agreement with recognized employee organizations for those ~~employees~~Employees represented by such organizations. When establishing compensation, the Board shall consider, among other factors, the following:

(a) the prevailing rate of compensation paid and fringe benefits provided by private employers in the County and by other public employees in the State for similar quality or quantity of service;
(b) the fringe benefits provided by the County; and
(c) the revenues available to the County for payment of compensation. The Board of Supervisors shall not delegate legislative power or responsibility which they were elected to exercise in the adoption of any ordinance or resolution setting compensation for appointive County ~~officers~~Officers and ~~employees~~Employees. This prohibition against unlawful delegation of the legislative responsibility to set compensation for appointive County ~~officers~~Officers and ~~employees~~Employees shall extend to any scheme or formula which seeks to fix the compensation of appointive County ~~officers~~Officers and ~~employees~~Employees at the level of compensation paid to ~~officers~~Officers or ~~employees~~Employees of any other public agency.

Section 501.9: Non-interference. This section is also intended to allow contracting to be conducted outside of the political arena.

(b) Disclosure. Any person or entity whose service contract is to be considered by the Board of Supervisors for approval, amendment, or extension, and the registered lobbyists of such person or entity, must make a public disclosure of gifts and campaign contributions made to members of the Board of Supervisors prior to the Board's decision. Hereinafter, reference to "contractor" within this section shall mean any person or entity whose service contract is to be considered for approval, amendment, or extension by the Board of Supervisors, and reference to "registered lobbyist" shall mean any person who is registered as a lobbyist with the County of San Diego. All service contracts approved by the Board on or after January 1, 2001 shall include a provision stating that the contract is voidable as provided above. In addition, the contractor shall submit a written certification that the contractor and the contractor's registered lobbyist have complied with the disclosure requirements imposed by this Charter section.

(i) No additional disclosure. This Charter section sets forth the complete disclosure requirements to be applied specifically to the County's contracting process. No additional disclosure in the specific context of the County's contracting process shall be required, except as may be required by State legislation or a Charter amendment which is adopted subsequent to the effective date of this section.

Section 1003: ~~Severance~~Severability Clause. If a provision of this Charter is held to be invalid or unconstitutional, the validity or constitutionality of the remaining portions of this Charter shall not be affected.

Section 1004: Operative Date. This addition of Sections 501.6, 501.7, 501.8 and 703.9; the repeal of Sections 701, 702, and 702.1; the repeal of Article IX; the addition of Article IX; and the amendment of Sections 501.1, 501.2, 1000 and 1002 shall be operative on July 1, 1981, if theretofore filed with the Secretary of State according to ~~general law~~General Law after ratification by the voters at the general election on November 4, 1980.

Section 1005: Operative Date. The amendment to Section 603.1, 603.2 and 603.4 shall be operative July 1, 1979, if theretofore filed with the Secretary of State according to ~~general law~~General Law after ratification by the voters at the General Election on November 7, 1978.

Based upon the conflict between these two measures, if each measure is approved by a majority vote of those voting on each measure, then the measure with the highest affirmative vote shall prevail, and the measure with the lowest affirmative vote shall be deemed disapproved and shall have no force or effect.

SAN DIEGO COUNTY
MEASURE B

(This Measure will appear on the ballot in the following form.)

MEASURE B

MEASURE TO FUND SAN DIEGO COUNTY HEALTH & SAFETY SERVICES
To clean-up sewage pollution in Tijuana River Valley, improve wildfire prevention, emergency response, access to healthcare, food assistance, childhood development services, and authorized administrative expenses; shall the measure authorizing a half-cent sales tax raising an estimated $400,000,000 to $450,000,000 annually, requiring citizen oversight, public spending disclosure, and independent annual audits, and lasting until ended by voters, be adopted?

This measure requires Simple Majority (50%+1) of those voting on the measure.

COUNTY COUNSEL IMPARTIAL ANALYSIS

MEASURE TO FUND SAN DIEGO COUNTY HEALTH & SAFETY SERVICES

This measure was placed on the ballot by a petition signed by the requisite number of voters.

This measure, if approved by a majority vote of qualified electors, would impose a transaction and use tax of a half cent per dollar on the sale of all tangible personal property in the County of San Diego, in both incorporated and unincorporated areas. The tax would be administered similarly to collection of other state and local sales taxes.

The tax is subject to certain specified exemptions and exclusions that are generally consistent with state and locally imposed sales taxes. The sales tax would remain in effect until repealed by voters. It is estimated that the sales tax would generate approximately $400,000,000 to $450,000,000 per year.

This measure would establish a Protect San Diego County's Health and Safety Fund for revenues generated. Funds would only be used for specified purposes, including efforts to stop sewage pollution in the Tijuana River Valley, wildfire prevention and emergency response, access to healthcare, food assistance, and childhood development services, and authorized administrative expenses. The measure would allocate funding as follows:

- Stopping sewage pollution in the Tijuana River Valley: 22.5%
- Public safety services and wildfire prevention: 17.5%
- Healthcare, childcare, and nutrition services: 60%

The measure would establish a twelve-member oversight committee, which would audit how funds are spent to ensure compliance with the measure's requirements. The Board of Supervisors for the County of San Diego would appoint eleven of the twelve members of this committee, who would be required to have certain qualifications specified in the measure. The twelfth member of this committee would be the County of San Diego Auditor. The measure would also prohibit the use of funds for such things as elected official or County employee salaries, lobbyist contracts, or government office renovations. The measure would require public disclosure of all spending.

A YES vote would impose a half-cent sales tax for use to clean-up sewage pollution in the Tijuana River Valley, public safety, wildfire prevention, healthcare, childcare and nutrition services.

A NO vote would reject a half-cent sales tax for use to clean-up sewage pollution in the Tijuana River Valley, public safety, wildfire prevention, healthcare, childcare and nutrition services.

VOTE YES on B - Protect San Diego County's Health & Safety

San Diego County is facing serious threats and deep cuts to essential services we rely on to confront them – wildfires, crime, Tijuana River toxic sewage and Washington's severe healthcare cuts blowing a massive hole in the County's budget and pushing local hospitals and ERs to the brink.

Without Measure B, we'll see slower 911 response times, reduced hospital staffing, families without healthcare and potential layoffs of first responders. YES on B prevents these cuts and protects San Diego County's health and safety to safeguard our tax dollars from corrupt politicians in Washington and Sacramento.

YES ON B: PROTECT 911 RESPONSE. PREVENT WILDFIRES. 25% of all local 911 calls get put on hold – and cuts will make it worse. Measure B ensures we have paramedics and police responding fast. Measure B ensures we're prepared to fight wildfires with more brush clearing, wildland firefighters and helicopters.

YES ON B: STOP HEALTHCARE CUTS. With 170k local families and kids losing coverage and hospitals forced to lay off medical staff, Measure B stops the unthinkable. Measure B keeps doctors and nurses on the job, protects ERs and family clinics, and maintains Medi-Cal for seniors and children's care.

YES ON B: FIGHT THE TOXIC TJ SEWAGE. Measure B fights the worsening Tijuana River sewage crisis closing beaches, making kids sick and poisoning our air and water. Instead of cutting clean-water protections, Measure B upgrades water safety infrastructure and funds emergency health response for South County families.

YES ON B: HOLD POLITICIANS ACCOUNTABLE. Citizens wrote Measure B – not politicians. Measure B requires independent audits, public disclosure and citizen oversight to ensure funds are used as intended to protect residents' health and safety, and prevent waste and fraud by county officials.

NO REBUTTAL TO THE ARGUMENT IN FAVOR OF MEASURE B FILED AT THE REGISTRAR OF VOTERS

ARGUMENTS IN SUPPORT OF OR IN OPPOSITION TO THE PROPOSED LAWS ARE THE OPINIONS OF THE AUTHORS.

ARGUMENT AGAINST MEASURE B

We've carefully analyzed Measure B and strongly urge you to VOTE NO! It will cost you and all County taxpayers more money with too much uncertainty and unclear oversight.

- In a time of rising gas and food prices, Measure B will raise the average San Diego household's taxes by **hundreds of dollars** every year.
- Measure B contains **no sunset clause** that allows voters to reauthorize it based on how well politicians spend the new money. If approved, **we will pay the new tax forever** unless voters gather signatures to repeal it.
- Measure B creates a supposed citizens' oversight committee that seems designed to specifically exclude any taxpayer advocacy representatives. However, direct recipients of the new taxes are given spots on this committee to oversee money they receive themselves! This is a **huge conflict of interest!**
- Measure B contains **no year-over-year performance targets** that would allow citizens to measure and track results.
- Measure B adds a permanent new revenue stream onto a fiscal structure the Taxpayers Association has already identified as **unsustainable** on its current path.
- Local media reports that County officials **refuse to say** whether Measure B would reopen one or more County labor contracts to increase employee salaries & benefits, creating **uncertainty for voters** in how the money will truly be spent.

It doesn't add up.

VOTE NO on Measure B!

REBUTTAL TO THE ARGUMENT AGAINST MEASURE B

THE OPPONENTS HAVE THEIR FACTS WRONG…

Measure B's strict taxpayer protections require our money be used to protect San Diego County's public safety and health. It prevents wasteful spending by corrupt politicians and bureaucrats.

San Diego County Firefighters, Doctors, Nurses and The Middle Class Taxpayers Association ALL SUPPORT Measure B.

MEASURE B HAS THE TOUGHEST TAXPAYER PROTECTIONS

- Every dollar stays in San Diego County – no exceptions
- Washington and Sacramento can't touch our money
- Public Expenditure reports track how Measure B funds are spent
- Annual independent audits account for every penny
- Strict citizen oversight reviews all expenditures
- Prohibits funds for politician salaries, lobbyist contracts
- Mandatory DA investigations/prosecutions for fraud/abuse
- Politicians can't divert the money - by law, funds must be used for 911 emergency services, fire protection, healthcare and water safety.

YES ON B PUTS PUBLIC SAFETY FIRST. Without Measure B, budget shortfalls threaten layoffs to first responders and slower 911 response times. Measure B protects San Diego County from growing wildfire threats by adding firefighters, brush clearing and firefighting helicopters. Measure B hires and retains police and paramedics to respond fast to emergencies across San Diego County.

YES ON B COMBATS THE HEALTHCARE EMERGENCY. Washington's cuts are stripping coverage from local families and kids, and forcing layoffs at hospitals and ERs. Measure B prevents the most disastrous cuts to keep hospitals staffed, preserve healthcare for tens of thousands of local families and fight the Tijuana River toxic sewage crisis poisoning our clean water and air.

The real risk is allowing deep cuts to gut services essential to San Diego County's health and safety.

FULL TEXT OF MEASURE B

The people of the County of San Diego ordain as follows:

Section 1. Title

This measure shall be known and may be cited as the "Protect San Diego County's Health and Safety Act."

Section 2. Findings

The people of the County of San Diego hereby find and declare the following:

(a) San Diego County residents' health, safety, and quality of life are facing severe threats that Washington D.C. and Sacramento are either ignoring or making worse.

(b) The Tijuana River toxic sewage crisis is one of America's worst environmental disasters that's sickening entire communities and polluting our treasured coastline – and state and federal politicians and bureaucrats have failed to act time and again.

(c) Extreme weather is causing more severe and frequent wildfires and flooding while the federal government has threatened to withhold fire aid and disaster relief from California communities.

(d) Severe cuts enacted by Congress to Medicaid, the Affordable Care Act, and the Supplemental Nutrition Assistance Program will lead to over 150,000 San Diegans losing healthcare and food they need to survive and stay healthy.

(e) Those same federal cuts will dramatically reduce the County of San Diego's overall budget which puts local 911 first responder staffing levels and essential public safety services in our neighborhoods at risk.

(f) Children in San Diego County are under double threat from federal cuts to nutrition and healthcare and the lack of affordable, accessible childcare vital to children's healthy development.

(g) This measure will protect San Diego County from the severe threats we're facing with urgent, local action that safeguards our community's health, safety, and well-being.

(h) All funds from this measure are guaranteed to address San Diego County's most urgent health and safety priorities: the Tijuana River Sewage Crisis, Public Safety, Healthcare and Children's Healthy Development – nothing else.

(i) This measure requires public disclosure of spending to track every dollar raised with the strictest accountability and transparency requirements, including annual independent fiscal and performance audits and a citizen oversight committee.

(j) Tough taxpayer protections prohibit funds from this measure to be used for politicians' salaries, lobbyist contracts, or government office renovations. If politicians or bureaucrats try to misuse these funds they may be subject to criminal prosecution.

(k) The measure's funding will stay 100% local to our region with an ironclad legal prohibition on Washington or Sacramento taking even one dime away from San Diego County.

Section 3. Purpose and Intent

It is the intent of the people of the County of San Diego that the Protect San Diego County's Health and Safety Act is enacted to maintain and improve the health and safety of County residents by doing the following:

(a) Stopping the Tijuana River toxic sewage flows contaminating local beaches, bays, and coastal waters with cross-border sewage treatment infrastructure that we in San Diego County control. No more waiting for Washington D.C. or Mexico.

FULL TEXT OF MEASURE B (CONTINUED)

(b) Keeping San Diego County safe by hiring and retaining first-responders and essential public safety services to provide effective 911 emergency response.

(c) Protecting against extreme fire threats by adding firefighters, increasing brush clearing, strengthening wildfire preparedness, and upgrading lifesaving equipment.

(d) Maintaining affordable healthcare for San Diego County residents at risk of losing coverage due to Congress' evisceration of Medi-Cal and the Affordable Care Act.

(e) Supporting local hospitals, community clinics, and their essential nurses and healthcare workers, to provide quality care to all San Diego County residents.

(f) Protecting vulnerable children, seniors and families from going hungry as a result of Washington politicians making deep cuts and reducing eligibility for the Supplemental Nutrition Assistance Program ("SNAP") that provides food to people in our community who are struggling with skyrocketing grocery prices.

(g) Providing for San Diego County children's healthy development through childcare and integrated physical and mental health services.

(h) Protecting taxpayers with complete public disclosure of all spending, full local control of all funding and strict accountability, including annual independent audits, citizen's oversight and criminal penalties for misuse of funds.

(i) Expressly providing that the funds generated by this special sales tax are to be used for essential County health and safety services as set forth above and in the measure.

22.503 Purpose

This Ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

(a) To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) and Section 7285.5 of Part 1.7 of Division 2 of the Revenue and Taxation Code, which authorize the County to adopt this tax Ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose. This retail transactions and use tax shall be in addition to any other taxes authorized by law, including any existing or future state or local transactions and use tax. The imposition, administration, and collection of the tax shall be in accordance with all applicable statutes, laws, and rules and regulations prescribed and adopted by the California Department of Tax and Fee Administration.

(b) To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

(c) To adopt a retail transactions and use tax ordinance that imposes a tax therefor that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

(d) To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this Ordinance.

22.504 Contract with State

Prior to the operative date, the County shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax Ordinance; provided, that if the County shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

22.505 Transactions Tax Rate

FULL TEXT OF MEASURE B (CONTINUED)

sold at retail in said territory on and after the operative date of this Ordinance.

22.506 Place of Sale

For the purposes of this Ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

22.507 Use Tax Rate

An excise tax is hereby imposed on the storage, use or other consumption in the County of tangible personal property purchased from any retailer on and after the operative date of this Ordinance for storage, use or other consumption in said territory at the rate of one half of one percent (0.5%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

22.508 Adoption of Provisions of State Law

Except as otherwise provided in this Ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this Ordinance as though fully set forth herein.

22.509 Limitations on Adoption of State Law and Collection of Use Taxes

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

(a) Wherever the State of California is named or referred to as the taxing agency, the name of this County shall be substituted therefor. However, the substitution shall not be made when:

(1) The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California.

(2) The result of that substitution would require action to be taken by or against this County or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this Ordinance.

(3) In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

(B) Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

(4) If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this Ordinance.

(5) For the purposes of subsections (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

(6) Except as provided in subsection (7) a retailer engaged in business in the County shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the County or participates within the County in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the County or through any representative, agent, canvasser, solicitor, subsidiary, or person in the County under the authority of the retailer.

(5) Any purpose other than those specifically enumerated in the expenditure plan provided by section 22.519.

22.518 [Reserved]

22.519 Expenditure Plan

(a) The proceeds in the Protect San Diego County's Health and Safety Fund shall be used solely to finance essential County services and to maintain and improve the quality of lives of County residents. The revenues generated by this Ordinance shall be expended in the manner set forth herein, with first priority given to offsetting the impact of severe federal budget cuts and preventing local budget cuts to vital County services and programs that protect residents' health, safety, and basic needs.

(b) With the adoption of the County budget and quarterly as determined by the County Chief Administrative Officer and Chief Financial Officer, the County shall apportion the revenues within the categories in this Ordinance based on the County's anticipated needs and projects in the coming year or following years for projects and programs spanning multiple years. The following are the allowable uses and annual percentages for the revenues generated by this Ordinance:

(1) No more than sixty percent (60%) on protecting and providing affordable healthcare services, nutrition and food security services, and services and programs for children and families. Expenditures authorized pursuant to this section may be used to expand the County's safety-net healthcare programs using existing healthcare providers, but not to supplant current funding.

(A) Five percent (5%) on in-home health services for the elderly and infirm, including but not limited to maintaining funding levels for services historically funded by Medicaid.

(B) No more than seven percent (7%) on providing nutrition assistance and addressing food insecurity for County residents through the County's SNAP/Cal-Fresh program. Up to two-thirds (2/3) of the expenditures authorized pursuant to this subparagraph may be used for the purpose of maintaining staffing levels of personnel that determine SNAP/Cal-Fresh eligibility.

(C) Nine percent (9%) on providing affordable health care services other than in-home health services, including but not limited to ensuring adequate staffing for program administration, expanding the eligibility workforce, and maintaining funding levels for services historically funded by Medicaid.

(D) Seventeen percent (17%) to support the County Medical Services program or a successor program, and any similar County program, for purposes of funding healthcare services or health coverage for uninsured or underinsured low-income County residents, including but not limited to provider reimbursements for uncompensated care; enhanced payments for specialty mental health services; and health access initiatives delivered through hospitals, clinics, community providers, or contracted partners.

(E) Twenty-two percent (22%) on childcare and children's healthy development and safety, to be administered by First 5 Commission of San Diego County, to support affordable childcare and pre-Kindergarten education programs and early childhood mental/behavioral health services.

(i) Eight percent (8%) on stipends issued to licensed childcare providers, prioritizing those serving infants and toddlers, for the purpose of supplementing compensation and training expenses for early childhood educators and caregivers, improving staff retention and thereby ensuring greater safety and consistency for children.

(ii) Eight percent (8%) on vouchers for families to obtain care of their choosing through licensed childcare centers, licensed family childcare homes, or license-exempt care, prioritizing infant and toddler care.

(iii) Six percent (6%) on early childhood mental/behavioral health services, including but not limited to supporting the First 5 San Diego's Healthy Development Services program.

(2) No more than twenty-two and one-half percent (22.5%) on environmental mitigation and related programs in connection with the toxic sewage crisis in the Tijuana River Valley, including but not limited to addressing the emergency health impacts caused by the

sewage crisis, and protecting local beaches, bays, and coastal waters from toxic pollution.

(i) No less than twenty percent (20%) of the revenues generated by this Ordinance shall be expended on infrastructure and engineering projects to stop sewage flows from Tijuana into the United States or through the Tijuana River Valley, including the expansion of sewage treatment infrastructure. If the State Water Resources Control Board determines that the Tijuana River meets all applicable water-quality standards for safe recreation and environmental health and removes the affected portions of the river from California's list of polluted waters, or the Tijuana River is diverted directly into a wastewater treatment facility, such funds may be allocated by the Board of Supervisors for other environmental mitigation and related programs permitted by this subparagraph, including but not limited to infrastructure to protect clean water.

(3) Seventeen and one-half percent (17.5%) on protecting public safety services, wildfire prevention, and crisis response services.

(A) No less than eight percent (8%) of the revenues generated by this Ordinance shall be expended on fire preparedness programs administered by the San Diego County Fire Protection District, including but not limited to retaining and hiring firefighters and paramedics; brush clearing and wildfire prevention programs; upgrading essential firefighter and paramedic equipment and facilities, including fire trucks, fire-resistant clothing, breathing apparatuses, and radios; and reducing 911 emergency response times through the use of helicopters and providing training services for skilled first responders.

(B) No less than eight percent (8%) of the revenues generated by this Ordinance shall be expended on law enforcement, including but not limited to retaining and hiring Deputy Sheriffs and investing in public safety infrastructure, such as emergency operations, regional emergency 911 communications systems, and public safety substations and facilities.

(4) No more than one and one-half percent (1.5%) shall be expended on general administrative services including contractual services, salaries, wages, benefits, and overhead necessary to carry out administrative responsibilities.

(c) The purposes set forth in this section shall constitute the specific purposes of the Ordinance, which are specific and legally binding limitations on how the proceeds of the tax can be spent. The proceeds of the tax imposed by this Ordinance shall be used only for such purposes and shall not fund any purpose, program or project other than those set forth herein.

(d) The Citizen Oversight Committee shall certify on an annual basis that all expenditures made in the prior fiscal year have been expended consistent with the requirements set forth in this Ordinance. The Committee shall make this certification in a report presented to the San Diego County Board of Supervisors, which shall be made available to the public.

22.520 Citizen Oversight Committee

(a) The Citizen Oversight Committee shall be established on the effective date of this Ordinance, as specified in Elections Code section 9122, to provide an enhanced level of accountability for the expenditures from the Protect San Diego County's Health and Safety Fund. The Board of Supervisors shall appoint members to the Citizen Oversight Committee no later than ninety (90) days after the effective date of this Ordinance.

(b) The Citizen Oversight Committee shall be composed of eleven at-large, voting members with the characteristics described below.

For each of the areas of expertise listed below, an individual representing one of the region's colleges or universities who possesses a comparable level of academic experience is eligible for selection.

(4) A professional with demonstrated experience of ten years or more administering and/or providing childcare services, including but not limited to employment with First 5 San Diego County.

(5) A professional in biology or environmental science with demonstrated experience of ten years or more with environmental regulations and major project mitigation requirements and/or habitat acquisition and management.

(6) The chief executive officer or person in a similar senior-level decision-making position, of a major private sector employer who possesses demonstrated experience in leading a large organization.

(7) A representative of a labor union whose membership is comprised primarily of workers in San Diego County.

(8) A parent or guardian of a child currently enrolled in licensed or exempt childcare services in San Diego County.

(11) A member of an active Neighborhood Watch group in San Diego County.

(12) The San Diego County Auditor shall be an ex officio member of the Committee.

(c) The Committee shall have the following responsibilities:

(1) Conduct an annual fiscal and compliance audit of all Protect San Diego County's Health and Safety Fund expenditures using the services of an independent fiscal auditor to verify compliance with the Ordinance. This annual audit will evaluate compliance with the use of proceeds requirements in section 22.517 and any other applicable requirements.

(2) Prepare an annual report presenting the results of the annual audit process. The report should include an assessment of the consistency of the expenditures of the Protect San Diego County's Health and Safety Fund with the Ordinance. The report shall be presented to the San Diego County Board of Supervisors and shall be made available to the public.

(3) If the Committee determines that any funds in the Protect San Diego County's Health and Safety Fund were misused in violation of section 424 of the Penal Code or any other state law, the Committee shall make a referral detailing the misuse to the San Diego County District Attorney's Office, the Attorney General, and any other applicable state or local agency or official.

(d) Term limits.

(1) Committee members shall serve a term of four years, except that for the initial appointments to this Committee, five members shall serve a two-year term and six members shall serve a three-year term in order to ensure the terms of the Committee members are sufficiently staggered.

(2) Committee members shall serve no more than eight years unless the member's first term was less than four years, in which case the member may serve an additional two terms after the partial term. In no case, however, shall any member serve more than ten years on the Committee.

(3) If and when vacancies in the membership of the Committee occur, the same selection process as outlined above shall be followed to select a replacement to fill the remainder of the term. At the completion of a term, eligible incumbent members will need to apply for reappointment for another term.

(4) Term limits for Committee members should be staggered to prevent turnover of more than two members at any one time. In the event more than two members need to be replaced during the same recruitment period, the Committee shall determine the length of the replacement first term in order to limit concurrent future turnover.

(e) Up to $300,000 per year, with adjustments for inflation based on the Consumer Price Index for San Diego County, may be expended for activities related to the Committee.

Section 5. Severability

If any section, subsection, sentence, clause, phrase or word of the Ordinance is for any reason held to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. Section 6. Liberal Construction

This measure is an exercise of the initiative power of the people of the County of San Diego to implement a special tax to fund the purposes set forth in the Ordinance, and it shall be liberally construed to effectuate these purposes.
