The Hassle-Free Voting Experience: A Practical Guide.

Every active registered voter will automatically receive a ballot in the mail nearly a month before Election Day. You choose **when**, **where**, and **how** you vote! Elections are no longer a one-day event and there is no need to wait until Election Day to vote. You can vote in the comfort of your home or visit a vote center near you. **The choice is yours!**

Here are a few strategies to help make the voting process a more convenient experience for all:

LEARN ABOUT THE PRESIDENTIAL PRIMARY

LEARN. California's presidential primary is March 5, 2024, and political parties decide who can vote for their presidential candidates. Voters who are registered with a political party may **ONLY** vote in their party's presidential primary.

This means the ballot you receive in the mail or at a vote center will list only your party's presidential candidates. If you want to vote for a presidential candidate from another political party, you need to re-register with that party.

In addition to the party-nominated offices (President and County Central Committee), your ballot will have voter nominated offices, and other local offices and measures. Learn more at sdvote.com.

VERIFY YOUR VOTER REGISTRATION

VERIFY. Verify your registration status, register or re-register to vote before February 20. You can do so at sdvote.com. Check the back of this pamphlet to find your party registration.

BALLOT DROP BOX

Sign and date your return envelope, seal your ballot inside, and return it to any of the Registrar of Voter's official ballot drop boxes.

Pamphlet Instructions

Ballot information for each of the qualified political parties is provided in this sample ballot and voter information pamphlet. A separate sample of each party's official ballot with their candidates for President and County Central Committee is provided. (The order of the parties is based on voter registration; the party with the most registered voters appears first.) The rest of the offices and measures shown in the sample ballot are for all voters. Combining this information significantly reduces cost.

Look in the back cover of this pamphlet to verify your party registration. You will be issued a ballot for that party.

AI	American Independent	LIB	Libertarian
DEM	Democrat	PF	Peace & Freedom
GRN	Green	REP	Republican

The contents of this pamphlet are laid out in the following order:

- Important Election Information and Voting Instructions
- Presidential Candidates and County Central Committee
- All Other Offices and Measures ("Voter-Nominated and Nonpartisan Offices")
- Candidate Statements and Local Ballot Measures
- Other Important County Information & Services

Most offices previously known as "partisan" are now known as "voter-nominated" (or "top two") offices. Voter-nominated offices include U.S. congressional offices and state legislative offices. The "top two" vote-getters in these contests will advance to the November general election. They may both be registered with the same party, or they may be registered with different parties.

You can vote in person at any vote center in San Diego County.

Starting **Saturday, February 24**, select vote centers will be open daily from 8 a.m. to 5 p.m. until **Saturday, March 2**, when all vote centers will be open daily from 8 a.m. to 5 p.m.

Under the California Voter's Choice Act, each eligible voter in San Diego County will receive a ballot in the mail nearly a month before Election Day. Voters may return their ballot by mail, at an official ballot drop box, or at any vote center. They may also choose to vote in-person at any vote center in the county.

No later than seven days before the day of the election, voters may request a remote accessible vote by mail ballot. This allows a voter with a disability to download a ballot onto a personal computer and mark it privately and independently using their own assistive technology.

To request a vote by mail ballot, facsimile ballot, or remote accessible vote by mail ballot, contact the Registrar of Voters at (858) 565-5800, toll free at (800) 696-0136, or at rovmail@sdcountry.ca.gov.

Accessible Voting

The Registrar of Voters is committed to providing voters with disabilities a secure, independent and private voting experience. Every effort has been made to ensure all vote centers meet usable accessibility standards. Vote centers will feature:

- Accessible ballot marking devices
- Curbside voting
- Additional assistance upon request

Voters that are unable to mark a ballot may bring up to two individuals to assist in voting (§ 14282 (b)).

Disability Rights California will operate a statewide Election Day Hotline for voters having difficulty voting because of a disability, please call (800) 735-2929.

Ballot Marking Device

Ballot marking devices will be available at every vote center. Each ballot marking device is equipped with a headset and a handheld controller for audio-based voting and is also available in Chinese, Filipino, Spanish and Vietnamese.

Remote Accessible Vote-By-Mail (RAVBM) System

The RAVBM system allows a voter with a disability to download a ballot on a personal computer and mark it privately and independently using their own assistive technology. After marking the ballot, the voter will print and return their ballot using the printable envelope template included in the RAVBM instructions. Just like any mail ballot, RAVBM ballots must be sealed inside an envelope, signed, and returned by mail, at any vote center, or official ballot drop box.

To request a RAVBM ballot you can complete the postcard with pre-paid postage located on the back of this pamphlet.

CRS supports the following modes of communication: TTY, VCO, 2LVCO, HCO, STS, VASTS, ASCII, or Voice.

Learn More About San Diego County's Voting System

All voter centers will have a full deployment of accessible touchscreen ballot marking devices. These devices can bring up every ballot type in one of five languages and produce a readable paper ballot. Because of this device, voters can vote in person at any vote center in the county.

This device does not store, tabulate, or count any votes, and does not store voter information.

After the voter confirms their selections on the device, the voter will print their ballot in the voting booth with the attached printer. The system prints a readable paper ballot showing the voter's selections along with a secure barcode. The barcode does not store voter information, it is used to tabulate results at the Registrar of Voter's office.

Voters can review their ballot, place it in a secrecy sleeve, and give it to the poll worker to place it in the ballot box to be counted at the Registrar's office. Once placed inside the ballot box, your ballot is officially cast!

Your choices do make a difference. Check them carefully.

Senate and Assembly candidates who accepted voluntary spending limits, as well as all candidates for local nonpartisan offices had the opportunity to submit a statement. The following pages may not contain a statement for every candidate, as some candidates chose not to submit one. The statements are the opinions of the authors and have not been checked for accuracy by any official agency. Candidate statement costs are paid by the candidate or, in some cases, by the jurisdiction. (A complete list of candidates appears on the "SAMPLE" version of the Official Ballot in this pamphlet.)

IMPORTANT INFORMATION FOR VOTERS

Top Two Candidates Open Primary Act: Proposition 14, passed by voters in 2010, changed the way primary elections are conducted in California. All "partisan" offices, except for President and party central committee, are "voter-nominated" offices.

- You may choose any candidate running for a voter-nominated office, regardless of the party you or the candidate prefers.
- For this election, United States Senate, United States Representative, State Senate, and State Assembly are voter-nominated offices.
- The two candidates with the highest number of votes in the primary election, regardless of party preference, go on to the general election ballot. There may be two candidates with the same party preference on your ballot for some voter-nominated offices.

DR. TIMOTHY DANIEL BILASH M.D.
Physician / Scientist / Educator

Hello, I am Dr. Timothy Daniel Bilash M.D. As a Physician for 35 years and Scientist for even more, I am trained to make rational decisions that contribute to the well-being of those I serve.

As a Board-Certified Obstetrician and Gynecologist, I am dedicated to the health and social interests of women. I fight for health insurance that covers contraception; I believe that every person has the right to reproductive care. Government has no business deciding for us.

Health is my priority, which is why I support affordable prescription drugs. The law must be expanded to allow CMS and Medicare to negotiate with pharmaceutical companies for fairer prices! It is past time for the Single Payer "Medicine-For-All" program to be passed by Congress. Every other western country offers Universal Healthcare to its citizens.

The environment matters to us all. We are at a crossroad and must act now to leave fossil fuel in the ground, pursue every alternative energy source with urgency, and capitalize on the jobs created. Global Warming is already at catastrophic levels.

To achieve our goals, we must end the rule of a self-interested minority of congressional members. This was never the intention of our founders. We must eliminate the Non-Constitutional Filibuster and release the stranglehold that large corporations have on our regulatory agencies.

We have much to do, and little time to get it done. Find more at VoteDrTim.com.

Vote for Dr. Timothy Daniel Bilash M.D. Let's win this together!

SCOTT PETERS
U.S. Representative

Lower Drug Costs. I wrote landmark legislation to allow Medicare to negotiate drug prices for the first time in history. It protects incentives for new cures, caps seniors' out-of-pocket drug costs at \$2,000 annually and caps their insulin costs. It became law as part of the Inflation Reduction Act. I'll always fight to protect Medicare and Social Security.

Save the Planet. I'm endorsed by the League of Conservation Voters and helped pass the most significant climate legislation in history. I've passed laws to reduce methane, CO2 emissions and other pollutants that poison our air and water and cause global warming. My POWER ON Act is now law. It gets renewable energy from where it's generated to where it's needed, bringing costs down.

Keep Us Safe: I voted for an assault-weapons ban and stricter criminal background checks for gun purchases. President Biden signed into law my STANDUP Act to prevent suicide and violence in our schools.

Help Families: I have a 100 percent pro-choice rating from Planned Parenthood and support funding for family planning. I authored the only student loan bill to become law in over 10 years to help families pay down student debt. I brought home federal funds to make community college textbooks free.

Support Our Veterans: I passed laws to provide more homeless veterans with housing assistance and casework support.

Protect Voting Rights: Free, fair elections are central to democracy. I strongly support the Freedom to Vote Act which protects voting access.

I ask for your vote. www.scottpeters.com

**STATE SENATOR
39th District**

DR. AKILAH WEBER

AGE: 45

State Assemblymember / Medical Doctor

Practicing medicine is the most rewarding work I have ever done, and I love helping my patients. I decided to run for State Assembly in 2021 because many of my patients were struggling with challenges that I couldn't help solve from a doctor's office.

As a State Assemblymember, I've listened to San Diego County residents and worked hard to advance meaningful legislation to improve healthcare delivery, strengthen public schools, protect the environment, and further economic prosperity. I'm proud to have authored 18 bills that have been signed into law, and I've helped push for policies that make state government more equitable, inclusive, and efficient.

Now, I'm running for State Senate to continue the fight to make our communities healthier and stronger. I believe that my experiences – as a mom, a medical doctor, a City Councilmember, and State Assemblymember – make me uniquely qualified to be effective in this role.

I'm honored to have earned endorsements from diverse groups including those that represent local teachers, firefighters, healthcare workers, and many community members. If elected I commit to continuing to be your voice in Sacramento and will work with you and for you to build a better California for all. Thank you for your consideration and I hope I have earned your vote.

TODD GLORIA
Mayor

As the son of a maid and a gardener, I understand the struggles San Diegans are facing right now. My parents taught me to leave things better than I found them. That's why I'm working hard to help us tackle our biggest problems.

Make San Diego more affordable.

We need to create economic opportunity and financial security for all San Diegans. Under my leadership we have:

- Eliminated barriers to building homes.
- Built more housing to drive down prices for middle-class and working people.
- Worked to put more money in people's pockets so they can pay rent, mortgage, and grocery bills.
- Fought to lower utility and insurance bills.
- Created good-paying jobs with benefits so people can build careers.

House the homeless.

There's far more work to be done, but we are finally moving in the right direction. I have:

- Increased shelter capacity by over 70%.
- Expanded substance abuse and mental health services.
- Banned homeless tent encampments citywide near parks and schools.

Let's continue to renounce extreme policies that divide us and focus on what's best for San Diego, like keeping crime rates low, housing the homeless, and paving more streets. Vote Todd Gloria for Mayor.

Executive

I understand the challenges facing San Diegans and am committed to creating a city everyone can afford and thrive in at every stage of life — where people can envision a future for themselves, grow their business, raise a family, and retire in dignity.

Born and raised in San Diego, in low-income housing, I overcame adversity to become the first in my family to graduate from college. After law school I returned home to build a career and a family. I have served San Diego for two decades both inside and outside of government as a public interest attorney. As a City Commissioner on Gang Prevention and Intervention, I worked alongside community and law enforcement leaders. As a former public defender, I understand the need to reimagine justice and public safety.

I now serve as executive director of a non-profit organization holding government accountable. I understand the impacts of poverty, failed economic development, corruption, and empty political promises. As mayor, I will prioritize integrity, transparency, and pathways to prosperity to lead a city that is affordable, safe, and expands opportunities. San Diego works best when it works for all San Diegans!

San Diego Police Officer

San Diego deserves a strong leader who genuinely cares for our city.

As a Marine Officer, I spent 23 years guiding our nation's finest through combat and humanitarian relief missions. I learned that taking accountability and delivering on promises is necessary to lead.

Once retired, I continued my lifelong dedication to others, and serve our community in law enforcement to this day.

I found that we must treat all our citizens with dignity and respect, especially those experiencing difficult times. I realized listening to our communities and enabling their voice is the best way to serve them. I know better policy, not more policing is needed to solve pressing issues, and soft on crime extremists only hurt our communities.

I'm not a career politician and never desired to run for office, but I can't ignore cries for help coming from our homeless, our struggling small businesses, and families desperate for change.

As Mayor, I will skip divisive partisan politics and unify our government to deliver solutions that actually work. I will quickly create a safe and progressive city, give communities their voice back, and always follow through on my promises.

Heather Ferbert Delivers:

- Stopped multi-million dollar real estate/fraud scams defrauding taxpayers.

- Defended San Diego women's abortion rights after Roe was reversed.

Heather Ferbert's Priorities:

- Protect children, seniors from domestic abusers.

The Planned Parenthood Action Fund of the Pacific Southwest has announced their endorsement of my candidacy for City Attorney.

Even before I became Chair of the Assembly Judiciary Committee, the city turned to me for help on "legislation that impacts the rights and safety of San Diegans."

I took the lead on many laws related to domestic violence, sexual predators, illegal guns, environmental and consumer protections.

In 2023, we won tougher prison sentences for sex trafficking crimes against children. San Diego's Deputy District Attorneys and San Diego Police Officers Association endorse me.

I have been named a "Clean Money Champion." And championed a new and successful program for first-time home buyers. I was a leader in taking the federal government to court to protect California's clean air laws.

I voted to protect marriage equality in our State Constitution, just like when we protected a woman's right to choose. Californians now have the "right to delete" private information collected and sold by data brokers.

As City Attorney, I will enforce the laws to keep people safe, defend our environment, and preserve the integrity of the public treasury.

San Diego City Firefighters endorse me. I appreciate your consideration.

I am a second-generation District 3 community activist. I have worked for decades to strengthen neighborhoods. Like my mother, I was elected to the North Park Planning Committee, and I fought to represent community interests in land use policy decisions.

As a journalist, I dug deep for facts and used them to speak truth to power. My recent commentaries have openly questioned our “strong mayor” form of government.

As a co-founder of a D3 neighborhood non-profit, I kept residents and small business owners informed about how city government operates.

If elected, I will strive to:

- Restore representative democracy in D3. I will seek out my constituents’ views and respond promptly to their requests.
- Challenge developers to work directly with communities on the scale and design of D3 projects.
- Exercise due diligence over fiscal management of tax dollars. I will scrutinize city budgets and contracts for dubious expenditures.
- Call for sensible limits on multi-unit ADUs with no-onsite parking.
- Push to provide stable housing for homeless families with children.
- Build public-private partnerships that deliver truly affordable housing.

We can do better, District 3. Help me make that happen.

Coleen Cusack is running for District 3 because, despite throwing millions at the homeless crisis, we have only seen an increase in homelessness and unaffordable housing.

Coleen is a trial attorney, educator, and advocate for underserved and marginalized populations. Coleen moved from Valley Forge to San Diego to attend law school in 1989 and never left after convincing her sister and parents also to relocate here. A resident of District 3 for over 25 years, Coleen raised her son in North Park and had offices Downtown, in Bankers Hill and Golden Hill.

In 2001, Coleen challenged the Red Light Camera Photo Enforcement Program protecting San Diegans from unfair practices. Coleen’s efforts helped prove the technology was incorrectly programmed to report false and unreliable results in select locations and, instead of improving safety, had led to increased collisions.

Coleen, a college and law school educator, responded to a critical shortage and stepped up to substitute teach at San Diego Unified, where she inspires K12 students.

Coleen has the creativity, compassion, and courage to address our housing and homelessness crisis. She seeks to make San Diego the most livable city and will be the leader that San Diego deserves.

San Diego

Dear Neighbor,

As your city councilmember, I have made significant progress in addressing homelessness by passing the Unsafe Camping Ordinance, leading the effort to establish Safe Sleeping Sites, and championing affordable housing initiatives.

I've secured funding to create more affordable housing units and increased resources for people experiencing homelessness to access vital support systems. I am committed to continuing these efforts to ensure that all members of our community have a safe and stable place to call home.

I've also worked tirelessly to improve our neighborhood infrastructure, advocating for safer streets, efficient public transportation, and well-maintained parks and public spaces. MEASURE A

(This Measure will appear on the ballot in the following form.)

MEASURE A

MEASURE A. CHARTER AMENDMENT AUTHORIZING THE CITY AUDITOR AND AUDIT COMMITTEE TO USE OUTSIDE LEGAL COUNSEL INSTEAD OF THE ELECTED CITY ATTORNEY. Shall Charter section 40 be amended and section 40.2 be added to authorize the City Auditor and Audit Committee to use outside legal counsel instead of the elected City Attorney, subject to certain conditions, when the Audit Committee determines such use is in the public interest? **Supporters:** Councilmember Vivian Moreno; Assemblymember David Alvarez; Andy Hanau; Elaine Howle; Assoc. of Local Government Auditors. **Opponents:** Clifford Weiler.

This measure requires approval of a simple majority (50% plus 1) of those voting on the measure.

Full text of this measure follows the arguments.

OFFICIAL TITLE AND BALLOT SUMMARY

BALLOT TITLE

Amendments to the San Diego City Charter section 40 and the addition of a new section 40.2, authorizing the City Auditor and Audit Committee to use outside legal counsel instead of the elected City Attorney.

BALLOT SUMMARY

This measure would amend the San Diego City Charter (Charter) to authorize the City Auditor and the Audit Committee to use outside legal counsel instead of using the elected City Attorney, subject to certain conditions, when the Audit Committee determines the use is in the public's interest.

If approved by a majority vote of those qualified to vote on the measure, the Charter amendments would become effective after they are chartered by the California Secretary of State.

CITY ATTORNEY IMPARTIAL ANALYSIS

On April 7, 1931, the voters of the City of San Diego (City) added an elected City Attorney position to the San Diego City Charter (Charter). Under Charter section 40, the City Attorney, who is elected by qualified voters citywide, serves as the chief legal adviser of, and attorney for the City and all Departments and offices. City departments must use the elected City Attorney unless the City Attorney has a legal conflict, as defined by the California Rules of Professional Conduct, or lacks the specialized skill or resources necessary to complete the assigned work.

In 2004, City voters amended the Charter to authorize the Ethics Commission to retain its own outside legal counsel, and in 2020, City voters amended the Charter to authorize the Commission on Police Practices to retain its own outside legal counsel. This measure would again amend Charter section 40 and add a new section 40.2 to authorize the City Auditor and the City's Audit Committee to retain and use outside legal counsel to assist those officials with their responsibilities. The City Auditor, who is appointed by the City Council, conducts audits and may investigate any material claim of financial fraud, waste, or impropriety within the City Auditor's purview under Charter section 39.2. The City's Audit Committee, comprised of two members of the San Diego City Council and three members of the public, directs and reviews the City Auditor's work and has oversight responsibility regarding the City's financial and business practices under Charter section 39.1.

For the City Auditor or the City's Audit Committee to use outside legal counsel, the Audit Committee must determine that such use is in the public's interest. It would not be necessary to show that the City Attorney has a

conflict of interest or lacks the specialized skill or resources necessary to complete the assigned work.

The City Council must approve the contract used to retain outside legal counsel and determine funding each fiscal year. Legal counsel may be hired only after complying with applicable laws, including the City's required competitive procurement processes. The City Council may, by ordinance, create additional rules related to the outside legal counsel consistent with the Charter language.

Any attorney-client relationship between outside legal counsel and the City Auditor, the City Auditor's subordinates, and the Audit Committee must be formed in a manner consistent with California law and the Rules of Professional Conduct of the State Bar of California.

This measure was placed on the ballot by the City Council, following a proposal by the City Auditor. If approved by a majority of the qualified voters voting on the measure, the Charter amendment would become effective when the California Secretary of State officially chapters it.

FISCAL IMPACT STATEMENT

CHARTER AMENDMENT REGARDING INDEPENDENT LEGAL COUNSEL FOR THE OFFICE OF THE CITY AUDITOR AND AUDIT COMMITTEE

This measure would allow the Office of the City Auditor and the City's Audit Committee to contract for outside legal counsel, independent from the Office of the City Attorney, for legal support and advice in certain audits, investigations, and related activities. Any contract would be subject to approval from the City Council, and each use of that contract would be on an as-needed basis and subject to approval from the Audit Committee.

Actual costs for independent legal counsel would vary annually, depending on how frequently independent legal counsel is used, the complexity of the issues involved, and the hourly rate charged for services. Based on past experience, the City Auditor considers requesting independent legal counsel once or twice a year, potentially requiring up to 300 hours of legal services depending on the complexity of the issues, to be a reasonable estimate. **The City Auditor anticipates requesting approximately \$180,000 each year for independent legal services, which is estimated to provide the City Auditor's Office with up to 300 hours of legal services consistent with the City Auditor's past experience, as well as an additional 100 to 200 hours for the Audit Committee, if required.**

Any unused funds budgeted for independent counsel at the end of any given year would not be expended or carried forward to the following fiscal year, but instead revert back to the City's General Fund. For instance, if no independent legal services are used during a year, no funds would be expended.

ARGUMENT IN FAVOR OF MEASURE A

Your YES vote protects and strengthens the INDEPENDENCE of San Diego's City Auditor!

Currently, the City Attorney advises BOTH the Office of the City Auditor and the City Officials the City Auditor is responsible for auditing and investigating, which includes the Office of the City Attorney itself. This structure can present conflicts under Government Auditing Standards, which the City Charter requires the City Auditor to follow.

Voters created the Office of the City Auditor in 2008 on the heels of financial scandals that brought the City to the edge of bankruptcy and established it as an **INDEPENDENT** office to serve the public interest and hold all City departments, offices, and agencies accountable to the public through objective, accurate, and transparent audits and investigations.

Your YES vote on Measure A will amend the City Charter to permit the City Auditor and the Audit Committee to obtain independent legal counsel in certain circumstances to better protect the public interest.

Federal government auditors, the California State Auditor, and all California county auditors currently have access to independent legal counsel. Voters previously have overwhelmingly granted both the City's Ethics Commission and Commission on Police Practices authority to retain independent legal counsel to carry out their investigative responsibilities. Measure A seeks to grant the City Auditor similar authority, and provides guardrails to ensure that the authority is used effectively.

This measure is **supported by the Association of Local Government Auditors and the Institute of Internal Auditors**—two internationally-recognized authorities on the auditing profession. Elaine Howle, California State Auditor from 2000-2021, stated that during her tenure:

"having [independent] legal counsel...strengthened the audit function, benefited the agencies and programs we audited, and most importantly, allowed us to fully serve the taxpayers. San Diego voters deserve the opportunity to secure these same benefits."

ARGUMENT AGAINST MEASURE A

Why ask to use an outside attorney unless you want a more favorable opinion from the advocate you select instead of the free neutral analysis of the city's elected legal counsel? This proposed charter amendment epitomizes today's unfortunate polarization - "You are for me or against me." "You are my friend, or are my enemy." "It's my way or the highway." "I hired you, can fire you, or can seek another more favorable advocate in the future; now, what is your legal opinion about this issue I want you to analyze? And if this gets on TV, will you agree with me or say I was wrong?" The elected official city attorney is not impacted by those perils.

The auditor, who conducts performance audits (not just money audits), is appointed per the city charter by the audit committee, which is chaired by a politician (a city council member; city charter, section 39.1). The legal advisor for the auditor should continue to answer directly to the electors, not the individual or committee that hires and fires that lawyer.

Predictions of limited use or costs of a private attorney are meaningless political smoke and mirrors. Use of a private attorney when in "the public interest" is a subjective open door and without oversight. As for any cost estimate, how often has a governmental cost estimate reflected reality, especially involving legal fees? The proposal has no meaningful restrictions on the number of times a private attorney would be hired or the total lawyers' fees per case or annually.

Why authorize a blank check when the service is already being provided without extra costs, and by an elected neutral? Vote no.

The City Attorney shall apply, upon order of the Council, to a court of competent jurisdiction for a writ of mandamus to compel the performance of duties of any officer or commission which fails to perform any duty expressly enjoined by law or ordinance.

The City Attorney shall perform such other duties of a legal nature as the Council may by ordinance require or as are provided by the Constitution and general laws of the State.

The Council shall have authority to employ additional competent technical legal attorneys to investigate or prosecute matters connected with the departments of the City when such assistance or advice is necessary in connection therewith. The Council shall provide sufficient funds in the annual appropriation ordinance for such purposes and shall charge such additional legal service against the appropriation of the respective Departments.

Effective December 10, 2020, the salary paid to the City Attorney will be equal to the salary prescribed by law and as adjusted by law for judges of the Superior Court for the State of California, provided that the salary of the City Attorney may not be decreased during a term of office.

SECTION 40.2: Legal Counsel for the Office of the City Auditor and Audit Committee

The Office of the City Auditor, acting through the City Auditor, may retain and use legal counsel, independent of the City Attorney, for legal support and advice in audits, investigations, and related activities within the authority and duties of the Office of the City Auditor, subject to the limitations set forth in this section.

The Office of the City Auditor must retain independent legal counsel by contract approved by the City Council in a manner consistent with the Charter, including the City's required competitive procurement processes and other applicable laws. The City Council has discretion to determine and appropriate funding for the Office of the City Auditor's independent legal counsel. The City Council is not mandated to provide any minimum level of funding for the independent legal counsel on an annual or regular basis and must determine funding consistent with the City Council's budgetary authority under the Charter. The City Council may, by ordinance, establish additional rules and procedures to implement this section.

Before the Office of the City Auditor may use the independent legal counsel who is under contract, the Audit Committee must determine that the use on an audit, investigation, or related activity is within the "public interest," as that term is defined by generally accepted government auditing standards promulgated by the United States Government Accountability Office or successor agency.

The Audit Committee may use retained independent legal counsel under the conditions set forth in this section for legal support and advice related to the Audit Committee's oversight responsibilities.

Independent legal counsel retained and used under this section will only be responsible for legal support and advice related to those activities within the authority of the Office of the City Auditor, acting through the City Auditor, and the Audit Committee's oversight responsibilities. Any attorney-client relationship between independent legal counsel and the City Auditor, the City Auditor's subordinates, and the Audit Committee must be formed in a manner consistent with California law and the Rules of Professional Conduct of the State Bar of California.

San Diego County is proud to offer the Blue Envelope Program.

The program is designed to promote inclusivity and serve as an enhanced communication awareness tool between law enforcement and community members diagnosed with a condition or disability such as Autism Spectrum Disorder, dementia, anxiety or other conditions.

By allowing an individual to voluntarily display the Blue Envelope logo or present a Blue Envelope, upon contact with law enforcement or other community service personnel, the individual signals that they might require additional accommodations or awareness during an interaction.
