INSTRUCTIONS TO VOTERS: To vote for a candidate whose name appears on the ballot, completely darken the oval  next to the candidate's name. To vote for a qualified write-in candidate, write the person's name in the blank space provided for that purpose and completely darken the oval  next to the written name. To vote for a measure or proposition, completely darken the oval  next to the word "Yes" or "No." Marking the ballot outside of the designated space to vote for a candidate or measure may compromise the secrecy of the ballot.
